WORKSHOP MINUTES

Workshop No. 1 for the Civic Center Campus began at 3:08 pm with City of Hayden Staff, Bernard Wills Architects (BWA), and the HURA Board.

BWA presented an overview of the property and discussed opportunities and challenges. They also presented a few preliminary ideas for re-development of the property. Ideas such as consolidating access on Government Way, providing access to Orchard for the multifamily development through HURA property, removing the baseball field for better utilized space and additional parking opportunities, general improvements to the park and relocation of the area for concerts, expanding parking at City Hall, and opportunities for a community center and commercial developments were both presented.

The City showed a park plan concept video from 2020 that gives BWA some ideas. City Staff indicated that the park is packed in the summer for concerts, Hayden Days, etc. More parking is needed. The City has concerns with overall construction and maintenance costs. BWA will take what was discussed and develop three (3) plans and will present for more discussion at Workshop 2 on March 10.
